

We are pleased to inform you of an informative and exciting website (www.scotnabs.com) focused on the massive target market for people of Scottish heritage living in North America. Statistics show that there are over 30 million of us in our adopted countries of Canada and the USA. It is long over-do that we started supporting each other as some of the other cultures in Canada and the States already do!

Should you wish to include your Business or post your Scottish Highland Games Festival or Event in our **FREE** directory please contact us. Advertising space is also available for a minimal fee. Submit your details including your email address and website to scotnabs@gmail.com.

Sincerely and Fraternaly,
